REGULAR ITEMS

Hearts of San Francisco – Display Request: President Jarman stated that Trustees have received a copy of the letter from the *Hearts of San Francisco* Project, requesting permission to place heart sculptures on War Memorial property in conjunction with the *Hearts of San Francisco* public “heart” exhibition from May to October 2004. Mr. Ridenour stated that the “Hearts” exhibition will include 130 heart sculptures in San Francisco parks, plazas and street corners from May to October 2004. He distributed pictures of heart sculptures currently installed at City Hall, the Asian Art Museum and San Francisco Public Library. Mr. Ridenour noted that while the letter from *Hearts of San Francisco* requests the placement of two heart sculptures on War Memorial grounds, he understands that the Project coordinators may be interested in installing additional sculptures in and around the War Memorial and Performing Arts Center.

Mrs. Ellen Newman, Co-Chair of the *Hearts of San Francisco* Project, addressed the Board and briefly outlined the purposes and the goals of the Project. She stated that 10-12 heart sculptures have already been installed, and that the Project has been enthusiastically embraced by the community and local media. She stated that the Project’s Steering Committee has hired Rita Barela Productions, Inc. to oversee the production and installation of the 130 heart sculptures, and noted that all production and installation costs are being underwritten by individual and corporate sponsorships. Mrs. Newman stated that while they do not yet have specific details with regard to the heart sculptures proposed for the War Memorial, she requested the Trustees’ support and participation in this City-wide exhibition by approving the placement of sculptures on War Memorial grounds for the six-month exhibition period.

Following discussion, and on motion of Trustee Farrow, seconded by Trustee Shultz, the following resolution was unanimously adopted:

RESOLUTION NO. 04-20

RESOLVED, By the Board of Trustees of the War Memorial of San Francisco that it hereby approves the request of the *Hearts of San Francisco* Project to place heart sculptures on the grounds of the War Memorial and Performing Arts Center during the *Hearts* exhibition from May to October 2004, subject to all installation locations and plans being approved by and coordinated with War Memorial staff.

PUBLIC COMMENT

Mr. Chee Yee, on behalf of Cathay Post #384 of the American Legion, requested a fee waiver for the use of Herbst Theatre by the Chinese Disabled People’s Performing Art Troupe on June 8, 2004. Mr. Yee stated that all Herbst Theatre rental fees have been paid by the Troupe, however, as the Troupe is being sponsored by the Cathay Post, he is requesting that the rental fee be waived and refunded. Mr. Wallace Levin, Veterans Affairs Commissioner and Commander of San Francisco Post 244 of the American Legion, commented that the American Legion War Memorial Commission considered and approved the

Cathay Post's request to submit a rental waiver request to the Board of Trustees, but apparently the Commission did not forward this request to the Trustees. President Jarman stated that in accordance with the Board's standard procedures, this matter would be calendared for the Board's consideration upon receipt of a request from the American Legion War Memorial Commission.

Mr. Wallace Levin invited the Trustees to the Memorial Day ceremony at the Presidio on May 31, 2004.

ADJOURNMENT

There being no further business, President Jarman adjourned the meeting at 2:35 p.m. in memory of Trustee Soula Leones.
